

Verification of 2024 Income Information for Nontax Filers –Student's Spouse 2026-2027

The instructions and certifications below apply to the student's spouse. Complete this section if the student's spouse will not file and is not required to file a 2024 income tax return with the IRS.

By completing this document, I certify that I have not filed and am not required to file a 2024 income tax return, and have listed all income earned from work, other income, and resources for the 2024 tax year

Also check any box that applies below:

- The student's spouse was not employed and had no income earned from work in 2024.
- The student's spouse was employed in 2024 and has listed below the names of all employers, the amount earned from each employer in 2024, and provided a Wage and Income Transcript for 2024. List every employer even if the employer did not issue an IRS W-2 form.
- The student's spouse resides in a foreign country and I have attached a verification of non-filing document from the applicable country's tax authority.
- The student's spouse resides in a foreign county and I attempted to obtain a verification of non-filing documents from a relevant tax authority for the 2024 tax year and was unable to obtain the required documentation.

If more space is needed, provide a separate page with the student's name and ID number at the top.
